Telex Communications, Inc.
Attn: Mr. Gayle E. Hamel,
Manager, Technical Service
9600 Aldrich Avenue South
Minneapolis, MN 55420

Dear Mr. Hamel:

Your June 10, 1982 Statement of Conformance to TSO-C57 and TSO-C58 for Telex P/N 64000-() Boom-Microphone Headset is accepted. You are authorized to identify Telex P/N 64000-() Boom-Microphone Headset with TSO-C57 and TSO-C58 marking.

The Telex Quality Control Manual, dated December 1, 1978, is adequate for production of these headsets at 1720 E. 14th Street, Glencoe, MN 55336.

The following data submitted with your letter will be retained in our files:

1. Telex Test Report 1223 dated June 10, 1982,
2. Telex Technical Data 4171,
3. Telex Drawing 64000-001 revision PD dated 3/18/82,
4. Telex Drawing 64001 revision A Sheet 2 dated 11/9/81.

This letter also acknowledges minor changes resulting in P/Ns 64000-000 and 64000-001. These P/Ns are authorized to be marked with TSO-C57 and TSO-C58 marking.

You are reminded of your responsibility under the requirements of FAR 21.3 regarding the reporting of any failure, malfunction or defect in any assembly manufactured under this authorization and your responsibility under the requirements of FAR 21.611 regarding design changes.

If you have any questions regarding this authorization, contact Mr. Charles Smalley, telephone (312) 694-7126.

Sincerely,

W. F. Horn
