Dear Mr. Hamel:

Your June 10, 1975, Statement of Conformance to TSO-C58 for the Telex Model 500T Hand Held Microphone is accepted.

The Telex Quality Control Manual dated March 5, 1974, is adequate for production of this equipment at 1720 E 14th Street, Glencoe, Minnesota 55336.

You are authorized to identify the Telex Model 500T Hand Held Microphone with the TSO-C58 marking.

The following data will be retained in our files:

1. Test Report No. 270, Telex Model 500-T Hand Held Microphone P/N 63333-000.
2. Drawing, P/N 63333 Sheet 1. Telex Model 500-T.
3. Drawing, P/N 63333 Sheet 2. Telex Model 500T Packaging.
4. Drawing, P/N 62766-001. Strain Relief, Technical Data Sheet, 38108-353.

Per your July 14, 1975, telephone conversation with this office, it is requested that future TSO-C58 applications include a detailed rationale when TSO tests are not performed exactly as required by the TSO. Enclosed, also per the above conversation, is a copy of RTCA document D0-91 amended November 8, 1962, for your records.

Sincerely,

Keith D. Anderson
