Gentlemen:

This is in reply to your letter of October 5, 1984, requesting TSO authorization for your Airman Headset, Model 760, Telex P/N 64400-().

The Statement of Conformance to TSO-C57a in your October 5, 1984 letter and the submitted data are accepted. You are authorized to identify your Airman Headset Model 760, P/N 64400, with TSO-C57a markings.

Your Quality Control System as defined in your Quality Control Manual, dated December 1, 1978, is considered satisfactory for production of this equipment at your facility located in Glencoe, Minnesota.

The following submitted data will be retained in our files:

1. Statement of Conformance in your letter dated October 5, 1984.
2. Telex Test Report 1456, Telex Headset Model 760 Airman, dated October 5, 1984.
3. Environ Laboratories, Inc., Letter of Certification dated September 18, 1984.
4. Telex Data Sheet, No. 4226.
5. Telex Drawings 64400, Airman 760, rev. C, dated 8-10-84 and 64309, rev. C, dated 3-26-84.
6. Telex Engineering Specification, No. T-1496, rev. B, dated 10-15-84.

Any design change made to this TSO'd item must be forwarded to this office as outlined in FAR 21.611 with minor change submittal intervals not to exceed six months. Also, as recipient of this authorization, you are required to report any failure, malfunction or defect relating to this authorization in accordance with the provisions of FAR 21.3.

If you have any questions regarding this authorization, contact Mr. Charles Smalley, telephone (312) 694-7126.

Sincerely,

W. F. Horn,
