Telex Communications, Inc.
Attn: Mr. Gayle Hamel
Manager, Technical Service
9600 Aldrich Avenue South
Minneapolis, Minnesota 55420

Dear Mr. Hamel:

Your May 26, 1982 Statement of Conformance to TSO-C57 for Telex P/N 64060-() Headset is accepted. You are authorized to identify Telex P/N 64060-() Headsets with TSO-57 marking.

The Telex Quality Control Manual, dated December 1, 1978 is adequate for production of these headsets at 1720 E. 14th Street, Glencoe, MN 55336.

The following data submitted with your letter will be retained in our files:

1. Telex Test Report 1215, Telex Headsets 64060-000 and 64060-001.
2. Telex Technical Data 4185.
3. Telex drawing 63974 Sheet 2, revision C, dated 5/21/82.

This letter also acknowledges minor changes resulting in P/Ns 64060-000 and 64060-001. These P/Ns are authorized to be marked with TSO-C57 marking.

You are reminded of your responsibility under the requirements of FAR 21.3 regarding the reporting of any failure, malfunction or defect in any assembly manufactured under this authorization and your responsibility under the requirements of FAR 21.611 regarding design changes.

If you have any questions regarding this authorization, contact Mr. Charles Smalley, telephone (312) 694-7126.

Sincerely,

W. F. Horn
Chief, Chicago Aircraft Certification
Office, ACE-115C
